

Adopt a Care Package

Military Connections is a non-profit organization that sends care packages to Service Members stationed overseas. Over 2000 troops are on our mailing list and we need your support! You can adopt a package to be sent to one of our men or women for a donation of \$10.00. Simply fill out the bottom of the form and return it along with your donation to Military Connections.

Your donation enables our organization to fill a care package with food, snacks, and healthcare supplies. A note will be included in your package to let your Soldier, Marine, Sailor, or Airman know that you adopted their package. Care Packages are a great morale booster for the troops!

Thank you for your support! Check out more ways to support our troops at www.militaryconnections.org
